MARIMBA

  
majestic

# CONCERT BLACK SERIES

The Majestic Concert Black Series 5.0 octave marimbas bring modern features that Majestic is known for into an instrument perfect for schools, universities and ensembles. Selected rosewood or padauk bars are manufactured with the highest degree of technology and craftsmanship. The height adjustable function and tunable low-range resonators adapt to all playing conditions ensuring tonal quality, resonance and comfort.

## Features:

- Solid wood end pieces and rails with heavy duty legs and cross bar provide maximum stability and reliability.
- Fine-tunable resonators below A2 can be adjusted to temperature and humidity in order to achieve maximum projection and sustain.
- Integrated bar geometry with 9 graduations.
