Introducing The Armory Series

All Armory Series drums feature the **SONIClear™ Bearing Edge**, which allows the drumhead to sit flatter and make better contact with the shell. The result is a stronger and deeper fundamental pitch, effortless and consistent tuning, and a significantly expanded tuning range. The Armory Series includes an arsenal of premium features and add-on options, including a range of pro-level snare drums, and a line of hardware available in chrome, black-plated, or a unique black and chrome hybrid finish.

Experience The Edge of Innovation.
